HOCKEY VICTORIA REGISTRATION

If you have not done so already, please complete your registration with Hockey Victoria. Link is here: <https://www.revolutionise.com.au/bjhc/registration/>.

Players need to register as a 'playing member'.

Non-playing club members should register as a 'non-playing member'.

I have been informed that people are having issues registering using the 5-game flexible option. I have reported this to HCV and hopefully this will be rectified soon.

CLUB FEES

Our Treasurer Bridget Green will send out invoices for club fees and uniforms throughout the year. Club fee information can be found in our Information Book on our website. **We ask that all fees to be paid by 31 July 2022.** Family discounts are available. COMMITTEE

We are still looking for someone to take up the Membership Officer role on the Committee.

The role of Membership Officer is to focus on Club experience for members and develop ways to increase Club participation and membership. The Membership Officer has a strong role in Club communications, liaising with the Secretary and Publicity Officers as required. This role has a focus on Club culture and works to actively improve the experience of those involved in Bendigo Senjuns Hockey Club, including offering Exit Interviews with exiting members.

This is not a big role but a fun one! If you are interested, please email the club.

CANTEEN DUTY

Yes - the canteen at the Bendigo Hockey Facility will be running this year!!!

ALL club members (or their family members if the club member is young) will be expected to volunteer for at least ONE session in the canteen during Senjuns' rostered times in 2022. I will email more info about this in the future. Note: Juniors are encouraged to assist – they can serve but only people 15yrs+ can use the coffee machine.

Please consider applying to obtain your Responsible of Service of Alcohol (RSA) so you will be able to sell alcohol when this is for sale in the canteen.

LEVEL 1 COACHING AND UMPIRING COURSES

We are still waiting to hear about when these courses will run in Bendigo. Stay tuned for more info...

MORE TRAINING GEAR NEEDED?

We are keeping a Wish List of items to purchase when we get more grants. If you know of anything you have used at other training sessions that you think our club would benefit from, please let us know via email.
