*"The primary objective of this challenge is to allow athletes to gain points for their club by running, walking, erg, rowing or cycling for 4km and submitting the results on the Rowing ACT website. Bonus points will also be awarded for sending through a photo of a member completing any other sport. Similar in style to the Winter Time Trial Challenge, it will take place June 20-21 as a standalone, and alongside the Winter Time Trials from July to September."*
