President's Report

Brett Johnson

Let me start by saying first off congratulations to all our members, supporters and volunteers for a very successful season. Whilst the year ran smooth and looked hassle free, there has certainly been a busy year behind the scenes with a lot of work going on in the background. My first year as President has been a very challenging yet a rewarding year. There has been an enormous commitment from numerous people, with time and resources offered freely over this year which has been above what I expected or had seen in the past. Their selfless approach to the needs of this association has been extraordinary and without these people we would not have seen the great advances that have been made this year.

As the end of 2016 draws to a close everyone at CCHA should be proud as this season has seen many fantastic results, both on field and off field.

- Combined our Div 1 womens comp with Newcastle to create the Hunter Coast Womens PHL Comp
- Held the inaugural Presidents forum to ensure there was clarity with the clubs to our objectives
- Played the 'City of Origin' games for both men and women with much success and looking to continue this as a regular fixture on the hockey calendar
- Our U18 Boys won the Div 1 State Title with many believing that this is possibly the 1st time a CCHA team has achieved this feat
- Our association hosted hockey events for the NSW Academy Games and both the HNSW U13 and U15 Indoor State titles
- Conducted a combined Grand Final day which was well supported by all clubs and supporters.

Also on the field we continue to develop our coaching and player programs. These areas will continue to benefit from increased support and resources. Greg Doolan (HNSW RCC) has continued to play a predominant role with coach and player development in 2016 and this is reflected in the number of players and Coaches /Managers that our region has provided this season to NSW teams of all ages.

Off field work is often just as important as playing the game. This year we had an increased focus on utilising our social media to communicate to members what's happening on and off the field and it has been very successful with the total membership currently at 581 members. We also created a public facing CCHA page so that we can share our success with friends and family and other members of the community who may be interested in our sport. We also had a new website with the help of Andy Duggan that provided the ability to share draws and pointscores and other news and information. Whilst a little clunky at times it was still a step forward then having to access 3 different sites. The good news is that the new website is even better

This year has seen some massive projects undertaken led ably by Barry Dowd. Our water turf was successfully cleaned which removed years of grime and has brought it back to top condition and will ensure it will increase its lifespan considerably. We were successful with a grant from the NSW Ministry of Sport & Rec to conduct maintenance work on the Lighting on both the sand and water fields. This was completed mid-season and is the first time in a long time that 100% of field lighting has been operational. We were also successful with a number of other smaller grants to support other activities that we have completed this year.

A quick look into 2017 and there are quite a few exciting opportunities ahead:

- The Assoc is currently debt free which means we will continue to deposit the previous loan repayment of \$5,500 per month into savings to be allocated towards the turf replacement meaning we currently have a healthy surplus.
- Continued focus on identifying additional revenue streams from non-hockey partners to reduce the financial impact on our members
- Continue to lobby Local, State & Federal Government for Grants to match our savings contribution to the new turf
- Continued progress on planning for the replacement of the sand turf and associated facility upgrades with hopes to have this 'shovel-ready' by end of 2017 season.
- Smooth introduction of the new registration portal that will hopefully streamline a lot of work for clubs and CCHA admins; as well as simplify manual tasks in collating game cards and match results and website updates
- Introduction of a pre-season School gala day as well as a come try hockey day to attempt to attract some additional players to our sport;
- introduction of a brand new CCHA Rep uniform to bring us into line with the HNSW reform requirements;

Thank you to our major sponsors; The Entertainment Grounds who have once again kindly contributed grants towards the new rep uniform as well as hosting our Junior Rep Presentation nights; Elite Hockey and Aaron McCarthy who came on board on the last minute this season but was regularly at the fields ready to supply you with any of your hockey equipment needs. We will continue to grow these relationships next season

Thank you to all our committee members for their support and extra efforts over this year of change. Without your commitment much of this work would not have happened. I would also like to thank the greater CCHA Hockey community for their achievements, efforts and support for the year, it's been a year full of many great achievements.

Finally I'd to take this opportunity to sincerely thank my fellow Board Members for their support and commitment this year. After a busy 12 months we have remained focussed, committed, and passionate to make Central Coast Hockey one of our region's leading sporting associations. I would like to make special mention of Cheryl Flannery for all her efforts in managing the accounts and ensuring that we continue to When you hear comments from our members about how much we have managed to do this past year it goes some way to make up for the many late nights finalising plans etc. I am very grateful to be working with a group of dedicated people and proud to be involved in this wonderful sport we love and play.

We have achieved many great outcomes and laid a solid platform to start 2017 positively.

Thanking you

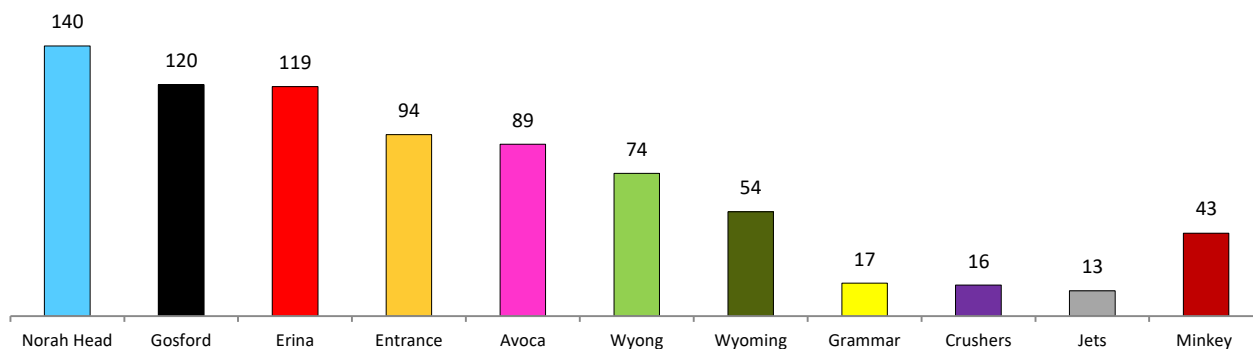

Brett Johnson

Admin Report

Jim Bissaker

The past year has been extremely busy for the Board as we adapted to the many changes in running the three sections (Juniors, Women's & Mens) under one banner.

We have had a year of new initiatives of combining the competitions, representative teams, financials and administration.

We have achieved many of our objectives but there is still some fine tuning to be done in many areas.

To that end our CCHA need your support and encouragement to progress further next year.

I would like to thank Brett Johnson for his assistance to me and the Clubs representatives for your patience during the year in getting information back to me.

One aspect that is disappointing is that we still do not have closure of all former association's into one. Hopefully this will be completed early in the new year.

Your support to the new board in 2017 is needed by volunteering to assist in the many areas of CCHA.

Thanking you

Jim Bissaker.

Treasurers Report

Cheryl Flannery

2016, a huge year CENTRAL COAST HOCKEY, our first complete twelve-month year as an amalgamated body from a financial viewpoint. New challenges faced, new waters crossed, a big year of shared responsibilities & learning that is ever progressive!

With the support of the Junior & Women's assistant treasurers we successful underwent a transition to simplify competition billing, this worked really well, thankyou Julie & Trish, your attention to detail, work ethic and support has been invaluable. Julie also in the role of booking officer, undertook invoicing of schools making the whole process more efficient enabling funds to flow to CCH in a shorter timeframe. Systems were put in place to process bulk payments efficiently to our competition umpires, thanks you to the umpire convenors, Cassidy, Michelle & Trish, Mark & Brett.

As the year progressed new accounts were established, first a dedicated Rep Account where without the articulate book keeping of Mark and Jackie and Irene's knowledge of everything reps, I would have been completely lost. An account for Minkey with proceeds transferred from CCWHA's care to CCH followed, thanks to Claire for keeping tabs of all things Minkey. A Development Fund was set up and injected with funds from the closure and final amalgamation of CCMHA and an Indoor Comp account is just starting to get a workout.

All-important funds for a new playing surface have been saved, the Fund including a Term Deposit totalling \$97000 at the season close and growing each month.

Thanks to Brett who in kept on top of payments through my absence; Pam always made an immediate response her priority for every payment that needed authorisation; Barry perfectly maintained the Maintenance Fund receipts and spreadsheet.

We gratefully received Grants from both WSC and Sport & Rec and Sponsorship from The Entertainment Grounds and Priority Lawyers; thanks to Tracey & Andrew's dedication to the task. Expenditure of the Lighting Grand received last year has been completed.

Proceeds of affiliation fees collected from CCH members were divided into four categories Development, Facilities, NSW Fees & Other Expenses, this enabled us to support development programs, subsidise representative costs and continue to improve & maintain our complex.

The Canteen saw the addition of EFTPOS PAYWAY, experiencing some teething problems with connections, however this now seems to be up and running and has added convenience for the canteen customers.

I would like to thank my fellow board members for their passion for Hockey and the team of supporting volunteers that I have enjoyed a good working relationship with, I acknowledge Julie Clarke (Assistant Treasurer Juniors & Bookings) Trish Halls (Assistant Treasurer Women) Irene Tweedie and Mark Jeffrey (Junior Reps) Jackie Sinclair and Brigette Burcher (Women's Masters) Carol Madden (Canteen supervisor)

and Karen Jones (Affiliations) game committee members & club contacts that have all co-operated to achieve another successful year for hockey on the Central Coast.

Yours in Hockey

Complex Report

Barry Dowd

The 2016 season has been a year of getting things done. There has been an enormous amount of Maintenance, Upgrades and Repairs to the Complex and Playing Fields during the 2016 year.

Most of these are covered below:

1. Major repairs to Sand Field, 4 days required.
2. Cleaning of Water Turf, cleaned by Turf X, (8 days required).
3. Shipping Container and Shelving installed, (5 days required).
4. Refurbishment, Repairs & Maintenance of Floodlights on Sand & Water fields, (7 days required).
5. Concreting, widening of pathways and upgrading drainage, (7 days required).
6. Water Field Water Cannons, Maintenance and Repairs to Pumps, Underground and Above Ground water tanks, (10 days required).
7. Sewer Problem repaired.
8. Insect Zapper installed in Canteen and new shelf and permanent step added to front of the canteen.
9. Tag & Test of all Electrical Appliances and Extension Leads.
10. Ride-On Mower Servicing and Repairs on Site.
11. Fitting of 5 new Tap sets in Canteen, Toilets and Change rooms.
12. Replaced 8 faulty Shower Heads.
13. Painting of Exterior of Clubhouse.
14. Roof Storage (Attic) tidied/cleared and Shelving fitted.
15. Key Register Cabinet fitted and all old Keys sorted and a Key Register compiled.
16. Fitted 2 new doors to Electrical Switchroom and fitted Awning to protect same.
17. Fitted 2 new Sensor Security Lights on southern wall of Clubhouse.

I have enjoyed my year and I feel very satisfied on the amount of improvements that has been carried out to our Complex and Turfs in the past 12 months.

Thanks to Jim Bissaker for his assistance to me throughout the year when I have asked for it. Also thanks to the volunteers that have offered their help throughout the year to work on special projects.

I would like to thank Tracey Malone for her expertise in caring for the Grounds and keeping the Complex clean, also thanks to Pam Goodwin for her assistance to Tracey, their commitment is greatly appreciated.

Julie Clarke has done a very professional job again as CCH Booking Officer, this position has had its frustrations throughout the year, but Julie has overcome these and moved on. Julie has always helped me if I require someone to open the gates or check on something at the Complex at short notice, thanks for your effort throughout the year.

Carol Madden's position as Canteen and Purchasing Officer has been another very successful year, Carol has catered for the Woongarra Soccer, Women's & Men's Competitions, Academy Games, a few school games and the recent Bushrangers weekend.

A big thank you to the Clubs and Volunteers that have helped in some way to make the CCH 2016 Season a very successful and enjoyable year.

Sponsorship / Fundraising Report

Andrew Allen

In 2016 we implemented the Sponsorship and Fundraising role to identify opportunities to increase the revenue streams from non-hockey playing members.

It has been a trial and error year trying to work out what works and how to identify prospective sponsors and what we can offer sponsors in return.

Firstly I would like to thank the sponsors that went with us in 2016 and I hope that they will continue with us into the future. These Sponsors include The Entertainment Grounds, Priority Business Lawyers, C Mobile, Elanora Hotel, Elite Hockey and A man with a Chainsaw.

This year we took on a new hockey equipment supplier in Elite Hockey. In this first year Aaron also had to set up his main base at Pennant Hills Hockey Complex. Thus in 2016 he was quite stretched and could not set up at Wyong permanently.

In 2017 we will continue our association with Elite Hockey but we will see him possibly permanently or more frequently. We are also negotiating arrangements to offer 'new to hockey' discounts to implement in the commencement of the 2017 season.

Another massive initiative implemented by the board in 2016 was Bar facilities and the ability to sell alcohol with our own liquor licence. We test drove this on Grand Final day with great success. We thank the Elanora Hotel, East Gosford for all their help and all the players and spectators that supported this venture. So from 2017 we will have bar facilities every weekend. We are in the middle of negotiating a sponsorship deal with The Elanora Hotel for next year which will be great. The Elanora Hotel was also a sponsor of our State Indoor Championships at Niagara Park Stadium this year.

We are also currently revisiting some of our current arrangements to identify opportunities with local Business that will ultimately provide a better deal for our members.

In regards to grants, I thank Tracy Southern for coming on board this year and organizing all the work that is involved. We received several grants over the last 12 months which has helped complete a number of projects or purchase of much needed equipment for the complex.

I would also like to thank the 2 local members for Wyong in David Harris and Emma McBride. They are great supporters of Hockey on the coast as evident by their appearance on Grand Final day.

Leading into 2017 our goals are simple – to identify partnerships with the local community to assist us to develop hockey on the coast and get the sand turf replaced immediately.

Brett Johnson and myself have been working on a 2017 Sponsorship Package for any potential Sponsor that fully outlines what CCHA can offer and what they can get out of sponsoring Central Coast hockey. It is about

building partnerships. If we can utilize businesses at The Hockey Centre, they will give back in the way of sponsorship. Then we as participants/supporters will also use them personally. Primary focus is to hopefully identify a major sponsor who can assist with the purchase of the new CCHA rep uniform leading into the 2017 season

It's a work in progress but we will be getting the proposal out to all our database .Please read it and if you think you want to help out and be a part of this please don't hesitate to ask.

In conclusion, it's been a very challenging year with sponsorship but I feel we are slowly getting there. You should all be proud of the great work the Central Coast Hockey Board are doing. They are dedicated and each of them put in very long hours for our association.

Kind Regards

Andrew Allen

Competition Committee Report

Chair – Brett Johnson

To assist streamline the running of the local competitions this year was the first year that we had combined all the previous mens womens and junior committees into the 1 committee. Given that a number of other tasks had been centralised also it made sense to combine these groups and have a team of people who helped manage the week to week operations of the games

The year was the first time we had combined the Committee Members:

- Matt Bissaker
- Karen Jones
- Cassidy Gallagher
- Michelle Watherston
- Pam Goodwin
- Gavin Drennan
- Brett Johnson
- Mark Wilson
- Jodie Spindler

The committee came up with a number of suggestions that were implemented over the course of the season:

- A single CCHA match card that is now used across all competitions.
- Introduction of a Tech Bench official to manage games.
- Standardised some rules across all competitions, eg stick above the head now in Mens Womens and U17.
- Creation of the U17 9-a-side competition to create a fast paced and exciting competition with amended rules. Changing to this format also allowed some clubs to split their teams to avoid the potential of losing players from this age group.
- Introduction of penalty shootouts in Grand Finals.
- Flexibility to adjust the guidelines to the challenges faced in the Womens competition this year with

There were a number of challenges faced over the course of the year that we have learnt from and will endeavour to improve next year. Leading into 2017 the intention is to ensure that all clubs have representatives at the committee meetings so that informative decisions can be made and information is passed back to club committees for communication with members.

I would like to thank all the committee members for supporting the direction that the CCHA is heading this year. The committee has been very willing to try new things to always ensure that if it was the right thing to do then we should just do it, rather than allowed to become bogged down in bureaucracy.

Regards

Brett

Women's Premier League /Division 2/Division 3/Wednesday Open Competition

The biggest change to the Women's Competition in 2016 was with the introduction of a merged Women's Premier Hockey League with Newcastle Women's Hockey Association. Avoca, Erina, Gosford and The Entrance clubs entered teams and with the 6 Newcastle teams, made a 10 team competition.

Games were fairly spread between the Wyong Complex and NIHC with CCH adapting rules to suit the competition broadly based on the existing Women's and NIHC rules.

While none of the Central Coast teams made the final play-offs, there was encouraging signs that the competition was not beyond the reach of Central Coast players and in fact was an exciting developmental opportunity for all Central Coast clubs.

I hope clubs support the Women's PHL format next year however I am concerned that the 'away' games created problems for second teams with rules this year having to be adapted to 'unrestricted' which caused some angst and confusion amongst teams. I hope the communication for receiving results from NIHC improves for our 'away' games.

A special thanks to Michelle Watherston and the many umpires that officiated the games during the year. Umpire mentoring must be encouraged if we are to grow the sport on the Coast.

Womens Open Team

Team: Zara Allen, Abby Coonan, Caitlyn Egan, Louise Egan, Rhiannon Hall, Bianca Hemmy, Casey Ferguson, Cassidy Gallagher, Grace Jeffery, Chantelle Logan, Gabriel Purcell, Georgia Radcliffe, Laura Rutherford, Emma Spinks, Grace Young.

Coach: Michael Banks

Manager: Kim Hall

The team played some impressive hockey and made it to the semi-final undefeated then were beaten. Kim would like to thank all the players and 'super coach' Michael Banks for giving up his time to coach us.

Open Indoor Hockey Team

Team: Hannah Crothers, Caitlyn Egan, Louise Egan, Casey Ferguson, Cassidy Gallagher, Grace Jeffery, Gabriel Purcell, Georgia Radcliffe

Coach: Brinley Gallagher

Manager: Susan Jeffery

The team had 3 wins and a draw to finish equal first with New England however goal differences put them in 2nd place in the pool games. The semi final was a tough game against Illawarra, with the team losing 4-3.

The team played well together with Brinley as their coach.

Women's Masters

This year 4 teams were entered in the Women's Masters Championships held in Taree.

A great result for the weekend winning 3 of the 4 divisions entered. Thanks to Isabel Crothers, Rennae Moore and Michelle Watherston for umpiring on the weekend. A great effort by all four teams and their staff.

Joanne Crosland, Brigitte Burcher and Pauleen Dawson were selected in the NSW Masters Teams to contest the Australian Master's Championships in Hobart.

In Conclusion:

I would like to thank all the participating teams in the 2016 Women's Competition, umpires, team officials and representative players for another year of showcasing 'women in sport' on the Central Coast.

A huge thanks to Valda Manning and Jodie Spindler and to all the club volunteers whose selfless work doesn't go unnoticed and is much appreciated.

Umpiring season 2016 in Women's Competition

I had 2 girls attempting their community badge this year, Jenna Woodhouse and Heather Leach. Jenna was successful and I will continue with Heather next year. I have had a lot of support from Lachlan Skene. He was doing the Level 1 accreditation.

We had Taylah Lloyd and Isabel Crothers attempted their Level 1's. Congratulations to Taylah in obtaining her Level 1. Unfortunately Isabel had her HSC interrupt her accreditation. Rennae Moore had shown interest in doing her level 1 as well. I had also had Marcus James help out his year as well.

It's really good to see these young umpires coming through.

2017 should see Isabel and Rennae attempting their Level 1. Working with Heather and Marcus as well should see a big improvement on their games as well and working towards their level 1.

A big thank you to all other umpires that have helped out through the season. Also to Lachlan Skene for his time and professionalism in helping these young umpires achieve.

I look forward to next year in helping out with the young umpires.

Men's Report

Mark Wilson / Brett Johnson

Firstly I would like to thank all the players and supporters for the spirit in which games were played this season most of the time. Thank you to all the umpires and all those who supported me, especially Brett Johnson.

I would personally like to thank all the umpires that have put their hand up to help officiate games this season. The major change that I believe assisted with the way in which games were played was that umpires were allocated rather than allocating clubs to provide an umpire. Sadly we have a very shallow pool of people that are willing to umpire Mens here on the Coast and this is something that we need to continually look at in the coming seasons. On that note I would like to personally thank Rennae Moore and Heather Leach for stepping forward and taking the whistle during a game when nobody else would do this.

I would also like to wish all those that received serious injuries this year a full recovery and hope that we see you back on the field again next season.

Congratulations to Gosford, Wyoming and Norah Head for winning their respective competitions this season

Congratulations to all those players that represented the Central Coast in Opens and all the Masters teams, and congratulations to those that were selected to represent NSW and played in Adelaide

Junior's Report

Gavin Drennan

2016 has been a successful season with the continued growth and progression of junior hockey on the Central Coast. The junior competition continued on from the previous season with no reportable incidents which is a testament to those involved with the junior competition at association, club, player and spectator levels

The 2016 junior competition seen teams from Avoca, Erina, Gosford, Grammar, Norah Head, The Entrance, Wyoming and Wyong participate across our 5 age groups along with participants in our Minkey program. Overall team numbers increased from the previous season to a total of 39 teams across the age groups as outlined below:

- Minkey – 43 participants
- U9 – 9 teams
- U11 – 9 teams
- U13 – 8 teams
- U15 – 5 teams
- U17/18 – 7 teams

Following feedback from clubs in relation to player enjoyment in 2015 and the ongoing struggle for clubs to provide teams with player numbers either being too many or too little, a modified competition was trialled this season for our U17/18 competition. A Super 9 format was adopted with slight modification to the rules which received positive feedback and resulted with an increase in team participation numbers. It is hoped with the continued support of the players and clubs this competition format will continue in 2017 with the support of the new board and competition committee.

We continued to have increased numbers in our ranks of junior umpires for the U9, U11 and U13 competitions and look to continued development and increase in numbers for our older age groups.

At the completion of the regular outdoor season we had 3 different clubs awarded as minor premiers with the top four positions in each competition closely contested. The outdoor season culminated with 3 different clubs winning the major premiership and congratulate:

- U17/18 – Gosford
- U15 – Erina
- U13 – Gosford
- U11 - Wyoming

Congratulations to all players, umpires and clubs for your respective achievements and accolades throughout the season.

The Central Coast sent teams to all State Championships in every age group this year which is summarised in the Representative Convenors report, however it would be remiss of me not mention that at a representative level, Central Coast Juniors had one of their best seasons on record with the U18 boys winning Division 1 State Championships and the U15 boys winning the Division 2 State Championships.

With these and other fantastic performances throughout the season have culminated in the most number of players (16) we have ever had selected in state representative teams across all boys and girls age groups as well as local umpires selected to officiate along with coaches and managers at National Championships.

State representatives for 2016 included:

U18 - Rhiley Carr, Brinley Gallagher, Jake Wigham, Dylan Martin, Lain Carr, Grace Jeffrey, Emma Spinks and Georgia Ratcliffe. Liam Alexander (Assistant Coach)

U15 - Kael Webster, Michael Taylor, Joel Tweedie, Taylah Jukes and Zara Allen. Janelle Morton (Assistant Coach)

U13 - Zane Drennan, Bailey Johnson and Ange Chan. Sally Schmidt (Manager)

The Central Coast Hockey Junior Presentation evening continues to grow with great numbers and a fantastic night to celebrate the representative season. The Volunteer of the year award for Junior Hockey on the Central Coast this year was awarded to Irene Tweedie for her tireless work with our representative teams – congratulations Irene.

Thanks to all those involved in the 2016 season and look forward to another fantastic season where we continual stride to improve and grow.

Junior Umpiring

Firstly, I need to say a big thankyou to everyone who has helped me in this position after the last 24 months. As I have learnt, it is not enough to just send out the allocations each week and hope everyone turns up for their games...! A big problem with umpire development has been my inability to attend and provide feedback for the Saturday morning junior games. I appreciate the assistance that Brett, Matt Bissaker, Gavin Drennan and Mick Tweedie have provided me throughout the year.

In 2016 we have seen many new faces to umpiring, as well as the return of some familiar faces from 2015 and past. In particular, for u11 umpiring, with 4 games played each Saturday, I had too many umpires to let everyone have one game per week...!! Allocations were never made on a basis of ability, but were made to encourage everyone to be able to have a go.

A pleasing outcome from this year has been the number of junior umpires who have progressed through to umpiring in the senior competitions.

As we look to 2017, an idea Brett has floated past me is to have a panel of umpire coaches for the junior games. This panel would involve some older umpires as well as some of the more senior junior umpires, to assist with weekly feedback for umpire development. From a coaching perspective, it would not mean being at every junior game, rather on a scheduled basis about once a month. This is something I am very supportive of and would like to see (and help) this be implemented for 2017.

Lastly, a huge huge thankyou to Cheryl Flannery for sending through the umpiring payments each month.

State Championships 2016

Congratulations to all Central Coast umpires who umpired at a state championship this year.

FIELD:

- U15 Boys: Amber Johnson
- U15 Girls: Isabel Crothers
- U13 Boys: Josh Clarke, Amber Johnson
- U13 Girls: Alex Jones, Jenna Woodhouse
- U18 Boys (panel): Harry Cole

INDOOR:

- U15 Boys: Lloyd Radcliffe, Amber Johnson, Payton Mortimer
- U15 Girls: Isabel Crothers, Payton Mortimer
- U13 Boys: Alex Jones, Amber Johnson
- U13 Girls: Rennae Moore, Jenna Woodhouse, Marcus James
- U18 Boys: Harry Cole

We also had many umpires represent other associations at the recent indoor championships, so thank you for your assistance.

A big congratulations to Amber who was awarded a the division 3 final at u13 boys outdoor state championships and the division 2 final at u13 boys indoor state championships

A big congratulations also to Isabel Crothers who umpired the division 2 final at u13 girls indoor state championships.

National Championships 2016

As well as having many players represent NSW at national championships this year, as an association we are fortunate enough to have 2 nationally panelled umpires.

Congratulations to Harry Cole who attended the National u13 Boys championships in Perth this year.

Minkey report

Clare Mercer

Minkey was again very successful in 2016 with 43 participants enrolled with 12 who came every week or missed only one week. We had a few who tried for a few weeks and did not come back.

This year we tried a new system. Brett, on week two divided the children into three groups, new, mid and advanced. This was very successful. The new group were taken each week by Laura Mercer, the Mid group were taken by Heather Williams and Natasha Seneviratne, with the rostered clubs looking after the advanced group. This provided a familiar face each week for the younger children.

We used the weekly skills program again this year, which was very helpful for the rostered clubs to know what the children were up to.

Breakup day was run this year by Heather and Natasha. There were 33 children attending having a ball. Parents joined in and all had a great time.

The parents were very appreciative of all that we did this season, with many of them saying how their children had enjoyed coming each week.

Thanks to Brett for coming and seeing each week if we needed a hand.

There was still an issue of clubs remembering they were rostered on and supplying enough helpers. Perhaps it could be considered that each club could do their rostered duty for 3 consecutive weeks providing both continuity to the Minkey children and an easier way for clubs to remember it is their week to provide helpers.

Indoor Hockey Report

Andrew Allen

It's been another busy year of Indoor for the Central Coast Hockey Association.

First and foremost I would like to thank my committee of Kim Hall, Michelle Watherston and Andy Duggan for all their tireless work.

The Indoor competition and holding of State Championships just wouldn't happen without the hard work and massive hours they put in.

Indoor is one of the biggest money spinners for our association. This money will go to our new rep uniforms, player development and the Turf Fund.

This year CCHA hosted both the U/13 and U/15 State Championships. They were both very successful events and by our Assoc hosting these events it allowed more Central Coast juniors to participate with a total of 10 teams entered into both Championships.

I would like to thank all the coaches, managers and parents for their enthusiastic support of these teams. Our teams are continuing to improve and we really are becoming one of the strongest associations in the State for Indoor.

We will endeavor to continue to work with Hockey NSW to obtain more State Championships. It is very evident that all associations that come to compete believe our facility is the best in the State.

Our local Indoor competition is currently running and again we were fully subscribed with 22 teams registered this year.

We have 6 teams competing in a Div 1 and 16 teams split into 2 pools in Division 2. It seems to be working well.

The numbers of participants is constantly growing. We have a lot of players who just do Indoor. We hope to also see them on the outdoor field next year.

Thanks again to everyone that has helped with Indoor this year – it's been busy.

Andrew Allen

Under 11 Boys

Coach: Travis Cock, **Manager:** Duane Hutchinson

Best & Fairest: **Lewis Gifford-Cock** – his passion for the game was evident as he gave 110% effort each time he took to the field and could be heard from all parts of the ground. He earned the respect of his opponents as a person who could turn defence into attack and strikes the ball well beyond his years. This was acknowledged at Tamworth as one of the top players of the tournament.

Coaches Award: **Finn Hutchinson** – what a pleasure to have around the team. Finn was always smiling on and off the field. He knew when to assist his fellow team members after the game and when he spoke his players responded. He captured what team sport was about, having fun and hanging out with his mates.

Most Improved: **Ethan Boyd** – his first year playing representative hockey. Quiet spoken however, keen to listen and participate. Ethan played various positions in the forward line for the team during the Tamworth Carnival. His confidence and skill level grew during the carnival, as a coach that is what you like to see.

U11 Girls Blue

Coach: Kim Patterson **Assist Coach:** Gavin Drennan **Manager:** Karen Jones

The U11's Blue's girls team did Central Coast proud with competing for the first time in the Kim Small Shield first division competition in Tamworth. Not only did we show up, but the girls were extremely competitive finishing a very respectable 3rd by a goal difference of only 1. Despite several injuries and a vomiting bug which sidelining a few of our players for several games, the girls were amazing, had lots of fun and hopefully learnt a lot.

Best & Fairest: Sophie Mitchell

Tamworth is always an enjoyable carnival where the kids develop new skills, friendship and of course have lots fun!

I'm am consistently impressed with the talent we have in the coast.

The girls played exceptionally well, with our only losses coming in the finals to decide the top 4 positions.

Like all good teams it is built from the back and our goal keeper was Jayla McDermott who never played keeper before and did amazing job! She had a lot of help from the girls in front of her. Alexis Mitchell done an fantastic job leaving many forwards frustrated. Georgina Carver was our little surprise packet, with many underestimating her with effort and power. Chelsea Anderson might not make too much noise off the field but in it she was making all the right noises with great positioning and a great number of intercepts. Zoe Clarke was great for our little team with her bubbly personality and improvement every game. The winner of our Citizenship award Rachel Azzopardi really impressed with her running, determination and willingness to learn will make her one to look out for. Moving to the middle of the ground we were blessed to have midfielders with did their endless two way running made sure we were always in the game Marianna(busy) Jessop was always tenacious around the ball which combined with a never say die attitude from Brooke Smith and the creative and competitive Charlotte Tarleton gave the oppositions headaches. Creating good leads and plenty of opportunities were the girls up front starting with Ella Blanch who was always posing a threat around goal and unlucky not to score a lot more. Dakota Drennan is one of my favourite players to have around the team. Always in good spirits, lifts the team and gives her all on the field. Cartia Eccelston is such a joy to coach. Open to any advice I had and take it on board and apply in during the game with is a massive tick in any coaches book. Last but not least Charlotte Dobson, always smiling, always hard working, and a delight to coach.

Coach: Brian McNally, Manager: Erin Tengdahl

Moorebank was successful for the Maroons. In our first tournament as a team we went through the rounds with wins and a single loss. This was enough for the team to finish equal first on points. We received the runner up medal on goal differentials.

At the state championships in Grafton we went through the preliminary rounds undefeated, having had 3 wins followed by 2 draws, and finally a big win. As the top 3 teams in the pool all finished on equal points it was again goal differential that decided the outcome. In the play off for 5th, we had a strong win.

With limited preparation the Central Coast Boys U13 Maroons showed their depth of skill against some very strong opposition.

Best & Fairest: Lindsay McNally

Most Improved: Brock Turnbull

U13 Girls Blue

Coach: Janelle Morton, Assist Coach: Shannon Higgins, Manager: Andrew Allen

This young group of girls played with focus and intensity every game and displayed a lot of potential moving forward. The team was not beaten and only conceded 1 goal over the weekend. They had 4 draws and a win, just missing out on the semi-finals and coming 5th in div 2. The defense was very consistent and solid against all teams. The midfield build up was creative and the strikers did everything but score goal with an amazing number of opportunities.

The weekend had the fun factor, enjoying Ten-pin bowling and dinners out with the 2nd CC team.

I would like to thank Shannon Higgins as assistant coach, Andrew Allen as manager and Deana Carr who stepped in to cover Andrew the first day.

I would also like to thank the parents for their support of the program and most of all a positive support for their girls.

Congratulations to Ange Chen for her selection in the U/13 State Blues.

Being relegated to 2nd division last year the boys went away to Tamworth on a mission, the objective, to get back into 1st division. After a few of the boys being away with U18's and winning Div 1, their confidence was high.

Our first game saw us play last years Division 3 winners Dubbo. We created opportunities and controlled most of the game but failed to convert this domination onto the scoreboard. We eventually come away with a 2-0 win.

Second game was 6pm v New England (nothing like an 8hr break between games and playing in the freezing cold). The boys were pumped up for a big game this game, with New England having a couple of NSW State players. Our completion of good attacking passages, ability to perform core skills and play our team structure, led us to a 6-0 win.

Game 3 v Nepean, this was an opportunity for our team to continue to develop our structure and work on our press against a weaker opposition. Our ball movement through the mid-field dominated play and the forwards set the tone for our defence. We come away convincing winners 8-0 and ensured that we would finish top of our pool.

Where else would you want to be at 7pm on a freezing winters night? Tamworth, Game 4 v North West Sydney 2 "the dead rubber". Hard to get up for this game as either way we were finishing top of the pool. The aim was to continue to keep a clean sheet and get the win. The team worked well and we continued to work on structure, the end result was a 4-0 win

Semi-final v Orange, pride yourself on defence and take the opportunities when they present themselves. Round games mean nothing now and we come here to win. The boys played well and worked hard together. The forwards were the screen for the midfield; the midfield worked hard to control the game and the defence was solid as a rock. We were pushed but come away with a 2-0 win.

Final v Canberra, business end of the Championship. The final was similar to most finals, gritty, hard fought and trying to stay mentally strong. The boys were noticeably fatigued from the last two and a half days of hockey, making more unforced errors than usual but their will and desire to win was demonstrated through hard work and their trademark solid defence. The boys got up to a 1-0 win but were unable to put Canberra away. The defence worked overtime to keep our slim lead and with a stroke with a minute to go we got up with a 2-0 win.

Congratulations to the CC 2016 U15 boys team who didn't lose a game, didn't concede a goal and scored 24 goals in six games.

Excellent effort, 2016 2nd Division Winners.
