- **You MUST be a current member of S.S.A.A. NSW prior to applying for membership with our club.**
  - <https://membership.ssaa.org.au/new-membership/nsw>

- As a minimum, you must have **Rec Hunting – Hunting Club OR Rec Hunting / Vermin Control** to be able to use our club facilities and practice days.
  - Refer to the following link for information on Licence Categories

[https://www.police.nsw.gov.au/online\\_services/firearms/licences#GR](https://www.police.nsw.gov.au/online_services/firearms/licences#GR)
- We **do not** have Firearms to loan out – you will need all your own firearms/equipment to participate in our club events.
  - Either use Google to search for your Local Gun Shop / Firearms Dealer.
  - As a starting point, you could utilise the following Amnesty Link which should bring up locations closest to you <https://crimestoppers.com.au/firearmamnesty/declaregun/>
- We **do not** have storage facilities to offer to members – you must have safe storage / arrange safe storage of your firearms yourself.

[https://www.police.nsw.gov.au/online\\_services/firearms/safe\\_storage](https://www.police.nsw.gov.au/online_services/firearms/safe_storage)
- We do not offer “experience days” – if this is what you are after, let me know and I can refer you to an organisation that offers this (for Shotgun – unsure of somewhere for Rifle). This includes ANY individuals wishing to try our sport on a P650 form.
  - We are not currently using P650 forms on our range.
- It is a requirement BEFORE you apply for membership online, you need to visit our facilities – have a conversation with one of our trained Range Officers.
  - If you are being referred to join from an existing member, please make sure you have their full name and CCML Club Membership Number, this information is required when applying.
  - If you do not know any current members, please make this known to the Range Officer when you arrive to check out our facilities – you will need to note down their Name and Membership number.
- The days you can visit to check out our facilities align with our Shoot Calendar – our club is run by volunteers, so please be patient with ALL of us.
