

MaST updated General Regulations

January 2022

To: All Clubs, Schools and Regatta Associations.

MAST has advised that the intended legislation has been gazetted on 22 December 2021 and will come into **effect in 1 January 2022.**

The Marine and Safety General Regulations are being amended to include: -

- ***No life jacket to be worn (on a rowing shell) if the coach boat or safety boat is within 500 meters of the crew:***
- ***Carriage of four additional life jackets above what would normally be required by the occupants in the coach or safety boat:***
- ***No life jackets are required during a Rowing Tasmania sanctioned event provided an approved safety management plan has been prepared.***
