Athlete & Parent Expectations

Expectations & Signed Agreements

WSP/FCRC is a privilege. As a WSP/FSCP member you are an ambassador for Falls Creek, for winter sport and for the team. Behavior, both good and bad reflects on the you the athlete and the whole team. Poor Behavior will not be tolerated. Warnings will result in discipline including suspension from training.

U12 Athletes/Parents

- Written agreement signed and to be returned prior to Day 1 start * Season long athletes
- Verbal agreement * Holiday Program Athletes.

CORE EXPECTATIONS:

- Approach training and competitions with a positive and open attitude.
- Be supportive and always encouraging of teammates.
- Understand that there is zero tolerance for all forms of bullying and discrimination including inappropriate use of the team WhatsApp
- Be responsible for yourself and your actions. Be on time to training sessions and with the correct equipment.
- Respect other guests of the mountain. Obey all signage and rope/lift boundaries.

Culture and behaviour

Culture is an easy thing to talk about. Our behaviour is the best gauge for what our culture is. When you fill out the [Form](#) please take a moment to discuss with your child what are the most important behaviours for them. The list includes these behaviours. From this list we will select our 3 Golden Behaviours that we can hold ourselves to. Coaches will also discuss these with their athletes.

- We will say hello, goodbye and thanks to our coaches
- We will all help with course setting and tear downs
- We will encourage, support teammates and call out put downs
- We will show humility – everyone is equal
- We will be on time (5 minutes early is on time)
- We will have our equipment ready, U14 and older. This means skis sharp always.
- We will be sensible on chair lifts and respectful in lift lines. Say thanks if someone lets you in or to the lift
- We will not use our mobile phones during training

Planning for the future...
