Payment Schedules 2024

Payment Options

Findon Calisthenics Club has flexible payment options, as demonstrated below.

Payment Methods

Payments can be made in various ways

- Credit Card- payable to the treasurer using a Square card reader (payments made by credit card will incur a surcharge). Please contact treasurer@findoncalisthenics.com.au in advance to have the Square card reader brought to class.
- Direct Debit- utilising an external company called PayAdvantage
- Direct Credit/Bank Transfer- set up by paying member

Late Payment Fee

A late payment fee of \$20 will be added to individual accounts if accounts are not fully finalised by the dates listed below. The late payment fee will be added to accounts at the end of each month, and will be included on the next invoice. Eg if you select to pay annually and have not paid by 30 March, or if you select monthly and have not paid by the 26th of each month, then late fees will be added.

Payment Plans

Regular payment plans are strongly encouraged. Members who wish to set up a payment plan must have this in order by 28 February 2024, or within 4 weeks for members starting later in the year. To do so, please complete the direct debit form (attached) and return it to the club treasurer via email treasurer@findoncalisthenics.com.au

Please take this advice seriously, as failure to set up a payment plan by the due dates, combined with late or non-payments, will incur a \$20 late payment fee at the end of each term. Accounts must be finalised in full by 31 October 2024.

Following are suggested amounts for payment plans for 2024.
