Karbeethan Reserve redevelopment to start next month

LIAM PHILLIPS AND KAYLA DEN HOLLANDER

SPORTING clubs at Karbeethan Reserve are excited about the potential growth opportunities that will come with the planned \$3.5 million redevelopment set to break ground next month.

The Gawler Eagles Football Club, the Gawler Ranger Baseball Club and the Gawler & District Softball Association will all be getting new playing surfaces and LED lighting, bringing the facilities up to a standard that could potentially attract professional baseball games to the area.

It is a massive coup for the area, and the sports are hoping it will help attract new members as more local housing developments are built.
