

## Shirley Munyard Award for Excellence in Teeball Nomination

Shirley Munyard was one of the leaders in developing Teeball in NSW in the early days before the formation of Georges River Softball Association. Shirley's love for all areas of softball started with Teeball where she was instrumental in developing the rules for this extension to our sport with then NSW President Edna Nash, and extended through to her love of umpiring – and especially the promotion of men's softball. Shirley's dedication to softball and our association saw her hold the position of Umpire in Chief and also in the development, training and support on diamond with junior and senior coaches and umpires learning the rules for Teeball and softball. The recipient of this Award would be honoured to have their name on the Shirley Munyard Trophy.
