2024 Grass Line Marking Roster:

Please see below roster for marking out the grass pitch (the club highlighted in colour).

In readiness for the first match, WK3, the field will be dot marked on the weekend before ANZAC day by Mike Cameron.

Some weeks the pitch may not need to be re-marked (if the lines are in good condition), however each club is still responsible for checking this in advance of the match, confirming that it is good to go!
