Criteria from By-Laws

MARGY GAMBLE: Margy was a valued life member of the NTSA (appointed in 2000), an avid player and official. In her retirement, Margy volunteered a large amount of her time as part of the executive committee and was always enthusiastic in her commitment to the association. Margy was presented with a Softball Australia Service to Softball Award in 2002. Margy was heavily involved with the transfer of softball from Ogilvie Park to Churchill Park back in 2004.

To be considered, candidates need to be a current registered member of the association, provide an overall service to the association in the following criteria:

- Enthusiasm
- Commitment
- Involvement
- Sportsmanship

This award is decided upon by Margy's son, Matthew Gamble. Completion of the Margy Gamble Nomination Form (appendix 15) is to be completed by the executive committee and the two (2) club delegates. The completed forms must be returned to the association secretary by the nominated date. Matthew will then organize the plaque for the perpetual shield and present this at the end of season presentation.
