## Criteria from By-Laws

**ROBERT (BOB) CLULEY:** Bob was a valued life member of the NTSA (appointed in 2005), he was a player, coach and umpire for the association as well as assisting at many school games.

He represented Tasmania at many National events as a coach and was the Umpire Liaison Officer for the National events held in Tasmania.

His passion was around umpiring and was eager to assist on and off the diamond when the opportunity arose even though he was no longer an active member of the association in his later years.

He received a Softball Australia Service to Softball Award in 2002.

Bob was the driving force behind the NTSA being successful in gaining the home run fence in 2005 and has been named in his honour.

This award is to be provided to a quiet achiever of the association and who is under 17.

To be considered, candidates need to be a current registered member of the association and provide a high level of service to the association in the following criteria:

- Generosity
- Involvement
- Individual development
- Leadership

This award is decided upon by the executive committee and the two (2) club delegates. Completion of the Robert Cluley Nomination Form (appendix 17) is to be completed by the executive committee and the two (2) club delegates. The completed forms must be returned to the association secretary by the nominated date. The association will organize the plaque for the perpetual shield and present this at the end of season presentation.
