****NOTES****

- Inshore Races are windward-leeward or triangle courses
 - Division 2 races have a gentleman's agreement not to fly spinnakers (TBC)
 - Spalding Cove race is part of the Destination Series
 - Memory Cove and Reevesby Island races are open to all keel and trailer sailors that meet the safety category. There will only be one division and it's not part of the Div.2 Series
 - Twilight races are social sails and will not have results, no spinnakers to be used
- "On Water Team" allocated to keel-boats. The boat assigned on the day does not need to provide all crew for the ducks and course boat, but they are responsible for ensuring that there are enough people available to fill the necessary spots
