Item #3. Secretary's Report (raised by Kylie Brown)

All correspondence has been dealt with. We are expecting further correspondence from ANSW regarding changes from 1st July.

We have had 3 new members since last meeting - Anna Weidner, Neil Lispcombe & Denise Wilson (returning member). Welcome to Port Pacers Running Club.

We have had a few enquiries over the covid-19 shut down period and they were going to come back when we were back to normal.

We currently have 168 members. 62 male & 106 female. The average age of our Member is 33. We have 50 members that are children (17 years or under). We have 8 members 60 to 70 years old. Quite a diverse club.

The council has been satisfied for our "Return to Sport". We have been given the green light from our Insuring body & Athletics NSW to return as long as we comply with the Covid-19 Guidelines for returning to sport.

The secretaries next submission will be our run maps and normal council lodgement. All committee members present at meeting approved lodgement.

The Ladies Facebook page "The Runners Lounge at the Sheep Station" recently had some turbulence that has been sorted out. No further action will be required. This page was approved by the 2018 committee. The Facebook page works well for the female members to support each other and extend friendships beyond the pavement. It does fall under the code of conduct and the secretary moves members in and out at every annual registration.
