## Meeting items

### Item #1. President's Report (raised by Jon Binskin)

September: Congratulations to all our members that competed in the annual Run Against Violence, and to the handful of Pacers in the LOKA team that were the first team home, setting a new record. It's great to see so many members supporting an amazing goal. Our new coaches finished their ANSW Level 1 training, and have started implementing a few changes to our Tuesday morning session.

Congratulations to Karina for becoming our very first Pacer Pursuit Champion.

We applied for over \$5000 in grant funding this month, for coaching aids, a uniform refresh, coaching courses and first aid courses. See more in the treasurer's report. Fingers crossed for a successful outcome - we'll hear the results in January next year.

October: Memberships renewals are upon us, and as at 28th October, we have 101 members. About 80% of our adult members returned this season. Most of our 50 juniors didn't rejoin - we didn't really encourage their renewal, as we can't offer a great deal for the kids with covid restrictions. If you are interested in your kids joining, the best way is to sign them up to Little Athletics using your Active Kids Voucher, and then have them apply as a dual member to Pacers. Costs about \$20 in total, and they can then compete in every ANSW event across the season.

Thanks to Clarissa for all her hard work getting polos and shirts organised for our returning members - the proofs are looking fantastic.

We're about to embark on the purchase of some run specific coaching aids, so keep an eye out for them coming soon(ish) to a Tuesday session.

Outdoor gatherings have now expanded to 30 people, so we may be able to be a little more social post runs in the coming months. We now have a website of all our runs! [www.portpacersrunningclub.com/calendar](http://www.portpacersrunningclub.com/calendar) Save it to your favourites!!

Lastly, our IMF team challenge is starting on November 1, coinciding with the start of the IMF virtual run. Make sure you get yourself involved!

### Item #2. Secretary's Report (raised by Kylie Brown)

### Item #5. Storage (raised by Jon Binskin)

Storage is still on the agenda.

Jon is liasing with PMHC to discuss our options.

There may be a need for a temporary storage before getting our real home.

Possible fund raising may be needed.

### Item #6. Coaches update (raised by Clarissa Morris)

Coaching has been succesful on the Tuesday morning session and the coaches will be surveying options for an afternoon session. A committment of 10 people minimum will be needed as the coaches are volunteering.

The coaching is aimed at all abilities.

The coaches need some basic running coaching equipment - value \$800 (2 x \$400) which would add value to the sessions. We would like to request a motion for up to \$400 plus gst for said equipment (coaching aids kit 1). If we are succesful on the grant, we will buy the second set later.

All committee voted YES

Motion passed.

Jon/Clarissa will organise the purchase.
