Online Score and Metrics Input

Follow these instructions to setup a member to complete online score results and MVP votes after games have been completed

Setup a member as a results administrator

1. Login into your club database.
2. Go to Competitions>Settings
3. Go to Add result entry administrator
4. Using the magnifying glass search for an existing member(s) and select them
5. Click on “Add results entry admin”
6. Scroll to the bottom and click on “save settings”
7. Go to Teams
8. Select the team the Result Entry Administrator will be acting for
9. Click Edit
10. In Team Officials add the member as either
 - Scorer
 - Manager
 - Coach
 - Club AdministratorSelect the most appropriate title

Repeat for all teams that Result Entry Administrator will be acting for.

11. Scroll to the bottom and click on “save settings”
12. The member(s) selected will receive an email with an activation link, once that has been confirmed they can now access online results

Competition settings

Competition metrics

Specify your competition metrics below that are associated with each participant (e.g. Goals/Fouls). There is no limit to the number of metrics you can have.

Metric name	Type	Display on website?	Display on score card?	Actions
+ add metric				

Update metrics

Result entry administrators

Name	Actions
Gavin Varis	delete

Add result entry administrator

Result entry administrators can access result entry and reporting tools. They cannot modify or remove draws or competitions, or access competition statistics or settings. Members without a valid email address are not included in the search below. Members who have **Competitions** administrator access are also not included. Once added, result entry admins will receive an automatic email containing login details.
