

Dispensations and Fill Ins

Introduction

Dispensations and fill-ins in revolutioniseSPORT allow a player to be used multiple times in different teams in the same competition setup.

Perth Softball League generally requires that a player(s) play in only one team only in the competition. However, within the rules there is scope for players to play in different teams, at different times, for different reasons. These reasons are defined in the Dispensations section in the Teams Setting and Fill-Ins in the Manage Results section of revolutioniseSPORT

Definitions

Dispensation: Permanent arrangement for a player to exist in multiple team lists within a club by application through Dispensations in the Teams Settings in revolutioniseSPORT.

The application is assessed by PSL Summer and approved or rejected. If approved the dispensation shall expire at the end of the regular season or when the club removes the player from the team(s) the player has been approved to play in.

Fill-Ins: Temporary arrangement for a player to exist in multiple team lists within a club for a specific round/date through the Fill-In section in the Manage Results of revolutioniseSPORT. This is self managed by the club and the club bears responsibility of complying with the PSL Summer rules that allow this to happen.

Dispensation Application

Before any dispensation can be considered the member needs to be placed in what would be considered their primary team, failure to do this will result in an un-approved dispensation application.

Go to Teams>Edit Teams>Team Members>Add Dispensation

Find the member using the search button and select the correct reason.

An email will be sent to perthsoftballsummer@gmail.com and the dispensation will be approved or disapproved.

Dispensation Reasons

Junior Playing Seniors Permanently (Not for Fill In Purpose)

Junior aged player who is listed as playing in a Junior team and is also playing in a current Senior competition.

Junior playing 2nd Junior Permanently

Under 14's aged player that is playing both U14's and U16's.

Senior Playing Masters Permanently (Not for Fill In Purposes)

Senior player who is listed as playing in a Senior team and then also playing in a Vets team.

Fill-Ins

Fill-Ins are an ad hoc way to insert players who are assigned in one team that temporally are required to play in another team on a day.

Fill-Ins are self managed by the clubs inputting and require no PSL approval. As such the clubs are responsible for compliance of players within that selected team.

Fill-In Reasons

Single Game in a Day Playing Up

A player playing up a club division from their primary team, playing only once on the date of the fixture.

Single Game in Day Playing Down

A player playing down a club division from their primary team, playing only once on the date of the fixture.

Second Game in Day Playing Up

A player playing up a club division from their primary team, before or after playing in their primary team on the date of the fixture.

Second Game in Day Playing Down

A player playing down a club division from their primary team, before or after playing in their primary team on the date of the fixture.
