Burrawang HC

The issue has been raised surrounding players existing in the 3rd grade Men's competition who predominately are too strong & would make a difference to this division. Furthermore, these players played up 1st grade for the majority of the 2022 season.

Given the above reasoning & the direction of Mittagong Hockey Club to move the Cheetahs into 2nd grade, the committee agreed to contact Burrawang Men's club to suggest moving a team into 2nd grade for the development of their players & the overall betterment of the competition.

Glenn to send letter to the club.

As it stands currently Burrawang 1st grade men's team will be graded due to the fact that they do not have a 2nd grade team in the competition.
