

An individual must be registered and fully paid before they can participate in any Artistic Swimming activity. Registrations are archived at the end of each Artistic Swimming season (the season commences July 1 and finishes June 30) and those that were registered that wish to renew their registration for the next Artistic Swimming season must do so.

Individuals are to renew their registration online using RevolutioniseSport. Payments are to be made via Debit or Credit card at the time of registration.

An individual only needs to be registered once. If they have registered in a previous season, these instructions are applicable.

To renew an existing registration:

1. Navigate to the applicable registration portal:

Artistic Swimming NSW/ACT	https://www.revolutionise.com.au/ssnsw/registration/
Artistic Swimming QLD	https://www.revolutionise.com.au/ssqld/registrations/
QLD - Aqualina	https://my.aqualina.org.au/registration/
Artistic Swimming Victoria	https://www.revolutionise.com.au/ssvic/registration/
SynchroWA	https://www.revolutionise.com.au/sswa/registrations/
WA – SupaNova	https://www.revolutionise.com.au/supanovasynchro/registration/

Note: An individual can also navigate to this screen by selecting the registration menu options from the ASA, Member State or Club website.

This page provides details of the registration categories and fees, terms, Frequently Asked Questions, instructions and the Registration Policy. These can be found at the bottom of the screen under the *Files available for download* heading. The PDF documents can be downloaded from here.

2. Review and select the most appropriate registration category.

Notes: If an individual belongs to two categories, they must register in the category with the higher fee e.g. if an individual is a Coach and a Competitor, they only need to register once in the Competitor category.

If an individual signs up as a Non-Competitive Athlete and then becomes a Competitor they can **UPGRADE** their membership. When it comes to paying the fee they will only be charged for the difference between what has already been paid and the amount for the Competitor category.

If an individual is registering as a Non-Competitive Athlete, they pay the ASA fee regardless for how long they are in this category for i.e. if they swim one, two or three terms or the full season, they still pay the set ASA fee.
