2024 Membership Categories.

Program Player Levy/Hin2H: For non-competitive juniors participating in term by term or introduction to hockey programs.

Junior Player Levy (18 & under): For competitive juniors playing in fixtures for either/and outdoor and indoor seasons.

Student Player Levy (19 – 24 yrs): For competitive students aged 19-24 playing in fixtures for either/and outdoor and indoor seasons. Must provide student ID at time of registration.

Senior Player Levy(19+): For competitive seniors aged 19 and over in fixtures be it on turf, grass or master's or indoor competitions.

10 Game Player Levy: For competitive seniors that can only commit to 10 games for either outdoor or indoor. The 10 games must be completed in the same competition. To be eligible the Association must be using RevSport for their competition management. Note that 10 Pack members cannot use a 10 pack membership to play in State or National Championships and must be a Senior member to be eligible to play in these events.

Social/Adult Program Player Levy: For senior introduction to hockey activities held during the summer season. If Associations wish to use this payment class in the winter season, they must request permission from Hockey Queensland with details of the program before being allocated this levy classification.

Non-Playing relates to those that don't play, but are involved through coaching, managing, umpiring, teching, etc or who want to belong to the Association. Clubs must ensure that their relevant members have completed it, as it covers Code of Conduct, Insurance, etc.

Senior 10 Game Player – please note that it is the player and Club's responsibility to note the number of games played and either upgrade to a full Senior membership or stop playing. This is currently not enabled by Hockey Qld, this should be rectified late January.

The Hin2H competition run by SCHA on a Friday night is free, so there will be no invoicing to clubs for turf time, however we have introduced a registration fee of \$30 per player.

Independent organizations training sessions/turf usage is charged as external Turf hire.

SCHA teams endorsed Rep training is free for 8 weeks at Association & State level. \$10 fee per session to non SCHA members.

Rep Levy – This covers the cost of sending umpires and technical officials to the appropriate State Championships.

Turf levy – This is to allocate funds specifically to the turf replacement in approx. 10 years time, as well as SCHA allocating funds to the Sinking fund at the end of the season.
