

UOWHC Sponsorship Opportunities for Local Businesses

The University of Wollongong Hockey Club (UOWHC) is looking to join with local businesses with the aim of benefiting both parties. We encourage businesses to support UOWHC and endeavour to return such support via advertising and marketing throughout our student, family and supporters networks.

UOWHC fields seven men's teams, six women's teams, and ten junior teams. Our club is the largest club in the Illawarra South Coast competition and has approximately 200 senior players and 100 junior players. The rich mixture of families and students playing hockey together ensures a lively and social atmosphere.

In recent years we have achieved some of our best results since the club's inception in 1962. Our 1st grade men's team has dominated the ISCH competition over the past seven years, while our women's first grade team is the most successful Illawarra team of recent times. In 2016, UOWHC secured the men's first & third grade, women's 4th grade and under 18 premierships.

Many of our players have represented Illawarra South Coast, NSW and Australia. We can proudly say that 13 of our players have represented Australia at field and indoor hockey and currently we boast two Australian Kookaburras in our men's first grade team, namely Tristan White and Flynn Ogilvie.

The following sponsorship packages are targeted towards our families with children playing junior and/or senior hockey with UOW.

They are available to anyone who holds a current ABN/ACN and wishes to contribute funds to the Club as a tax-deductible donation as opposed to paying Club fees.

The donation does not need to come from a family member, we welcome sponsorship that you might attract from outside of our Club's membership.
