

# Tank Hire

URGQ has 6 Aluminium Dive tanks for hire to club members.

To hire a tank, please see the Canteen Officers on any Wednesday night that the clubhouse is open.

They will record your details in the hire book and provide you with a tag that you can take down to the compressor shed and collect a tank.

To cover tank hire, air fill and annual servicing, we ask for a donation of \$10.

A further \$20 deposit is required, which is refunded on return of the tank.

We ask that you return the tank on or before the next club meeting when your \$20 deposit will be returned.

If the tank is not returned, the club requests a donation of \$10 per week until it is returned.
